EXTEND YOUR ACQUISITION DOLLAR

Purchase either **individual titles** under perpetual access agreements, or a subscription for the **entire collection**. Subscription pricing is deliberately kept low to encourage widespread use, placing this amazing resource within the budgetary reach of any library system. Where purchase is preferred, the subscription works on an approval plan: a means of assessing titles and usage before buying.

With a subscription to CPC, for less than \$.30/title, library systems can make thousands of titles instantly accessible to all users around the clock.
